

Bob Ross Wet-on-Wet® Technique Teacher Training Seminars

Landscape instructor (CRI®)

The Level I Landscape Seminar, taught by Bob's personally appointed teaching staff, provides the foundation needed to develop your Bob Ross Method painting skills.

Emphasis is placed on proper use of painting tools and on the various techniques involved with completing Bob's landscape and seascape paintings.

We've been told that this is by far one of the most exciting five days you'll ever experience. The friends you make are for a lifetime.

Acknowledgements of each student's progress and issuance of Attendance Certificates takes place during the Friday wrap-up session.

The Level II Landscape Seminar is the next step towards accreditation. You are required to complete a Level I seminar before entering this Level II. You will work on more advanced projects to further perfect your painting skills. You will also receive special coaching on becoming an effective Bob Ross teacher, motivating beginners and correcting your students' mistakes.

Your progress will be acknowledged and you will receive an Attendance Certificate during the Friday wrap-up session.

The Level III Landscape Seminar is the final step before becoming a fully accredited Bob Ross Instructor! Registration is limited to those who have completed Levels I and II. This session will feature more advanced painting projects and further honing of teaching skills and demonstrations.

From time to time, special guest speakers from the Bob Ross Company and/or Dr. Fr. Shoenfeld GmbH & Co. may discuss product sourcing, class setup, promotion, job opportunities and other valuable information for a new Bob Ross Instructor.

On Friday, you and your friends will enjoy special closing ceremonies and presentation of final certificates. Then it's home to start a glorious new life as a Certified Ross Instructor!

Floral Instructor (CRFI®)

Bob Ross Florals is a unique painting technique developed by artist Annette Kowalski and taught by a specially trained and accredited team of Floral Instructors.

The Level I Floral Seminar will provide you with the basics for painting and teaching beautiful floral paintings. You will learn how the floral paints, brushes and mediums differ from Bob's other materials. You won't believe the beautiful florals you'll be painting after just one floral painting seminar. The Friday wrap-up session will include acknowledgement of each student's progress and the presentation of Attendance Certificates.

The Level II Floral Seminar is the next step to becoming a Certified Floral Instructor. You must have completed the Level I Floral Seminar before enrolling in this level. You will enjoy advanced projects and gain more skills necessary to become an effective and motivating floral teacher. Your progress will be acknowledged and Attendance Certificates will be awarded during the Friday wrap-up session.

The Level III Floral Seminar is the final step towards becoming a fully-accredited Ross Floral Instructor. You must have attended Floral Levels I and II to attend this level. This session will feature more advanced floral painting projects and teaching skills. From time to time, guest speakers from the Bob Ross Company and/or Dr. Fr. Shoenfeld GmbH&Co. may discuss promotion, class set-up, job opportunities, product sourcing and other valuable information.

During the final wrap-up session on Friday you will receive your well-earned Floral Certificate and then it's off to start your new life as a fully accredited Certified Ross Floral Instructor!

Wildlife Instructor (CRWI®)

Bob Ross Wildlife painting is a unique technique developed in keeping with the world-famous Bob Ross wet-on-wet style of painting.

The Level I Wildlife Seminar will provide you with the basics for painting and teaching realistic wildlife paintings. You will learn how the special wildlife paints, brushes and mediums differ from Bob's other materials. Also, how to paint realistic eyes, different types of fur and hair. You won't believe the beautiful animals you'll be painting after just one wildlife painting seminar. The Friday wrap-up session will include acknowledgement of each student's progress and the presentation of Attendance Certificates.

The Level II Wildlife Seminar is the next step to becoming a Certified Wildlife Instructor. You must have completed the Level I Wildlife Seminar before enrolling in this level. You will enjoy advanced painting projects and gain additional skills necessary to become an effective and motivating wildlife teacher. Your progress will be acknowledged and Attendance Certificates will be awarded during the Friday wrap-up session.

The Level III Wildlife Seminar is the final step towards becoming a fully-accredited Ross Wildlife Instructor. You must have attended Wildlife Levels I and II to attend this level. This session will feature more advanced painting projects and teaching skills. From time to time, guest speakers from the Bob Ross Company and/or Dr. Fr. Shoenfeld GmbH&Co. may discuss promotion, class set-up, job opportunities, product sourcing and other valuable information.

During the final wrap-up session on Friday you will receive your well-earned Wildlife Certificate and then it's off to start your new career as a fully accredited Certified Ross Wildlife Instructor!
